Warmer Homes Stafford is a partnership between Stafford Borough Council and Marches Energy Agency

Grants toward **heating and insulation upgrades** are available to owner occupiers or private tenants who are;

On a low income (household income of less than £21,000 per year after housing costs)
& with limited savings (less than £8,000 savings (single person household) or £12,000 (multiple person household))

And have

Increased vulnerability to the cold
(aged 60 or over, or experiencing long term health conditions or a disability or responsible for children under 5 years of age)

or

High heating costs
(inefficient property, non-gas heating, older properties etc)

Households on means tested benefits including **Guaranteed Pension Credit, ESA** or in receipt of **tax credits** (with a low income) may also qualify for grants.

To further assess eligibility and to refer yourself or someone else for a grant, please contact **Warmer Homes Stafford** on
